

# Professional Liability

We defend against claims that have the potential to harm reputations, end careers and shutter businesses. Our attorneys represent companies and licensed professionals in negligence and malpractice litigation as well as errors and omissions. We defend and provide counsel to a variety of professionals, including but not limited to:

- Lawyers
- Accountants
- Real estate agents and brokers
- Home inspectors
- IT Specialists
- Physicians
- Nurses
- Social workers
- Insurance agents and brokers
- Members of the clergy
- Therapists
- Public adjusters

Attorneys in our Professional Liability Group represent professionals in court actions as well as investigative and disciplinary proceedings. Our attorneys promptly assess our clients' cases, understand our clients' needs, answer their questions and satisfy their goals in an efficient manner. We have extensive experience litigating professional negligence cases through trial. Our attorneys are also skilled in alternative dispute resolution proceedings such as mediation and arbitration. We assist our clients in determining a sound approach to reach a desired result. Our Professional Liability team is also well positioned to help our clients in risk management by identifying liability risks and advising on how to minimize exposure.

## Experience

- Secured summary judgement for a dentist in a dental malpractice and civil rights suit before the Eastern District of Pennsylvania against an 8th Amendment claim for denial of medical/dental care and a claim for medical/dental malpractice.
- Won summary judgment for a martial arts school on a case involving personal injury to a minor based on the plaintiff's failure to meet the burden of proof required for the heightened recklessness standard of care allowed in New Jersey for participants in amateur sporting events.
