## Family Law Office Update

Due to COVID-19, as a precaution and in the interest of public health, Weber Gallagher's King of Prussia office will be closed until further notice. However, we will continue to serve you remotely, receive and accept mail at our office and respond to all communications as expeditiously as possible.

We will do our best to respond to all emails and return all phone calls in a timely manner. Please note, we will also continue to monitor the Court House(s) openings and schedules daily.

We apologize for any inconvenience our office closure may cause. We will do our best to keep you informed.

During this time, we are still reachable on our office phones and at our office email addresses. Please reach out with any questions or concerns.

Stay safe and healthy.

Sincerely,
