· March 28th: **The Clock is Ticking: The ELD Mandate Gets Teeth. Are You Prepared?**

Presented by [James Wescoe](#)

On April 1, 2018, inspectors can begin placing drivers out of service for operating without an approved ELD. While the trucking industry has become more familiar with the ELD Mandate, there remain questions about the Mandate's scope, its implementation, exemptions, enforcement and effects. This webinar will address the foregoing topics as the out-of-service enforcement date approaches.

Registration is required for all webinars. Once you RSVP to a webinar, you will receive a link to access the live video feed. Webinars begin at 12 p.m. EST.
