Workers' Compensation and COVID-19 - Update April 23, 2020

Following up on their original webinar covering Coronavirus and Workers' Compensation across Pennsylvania, New Jersey and Delaware, Weber Gallagher Partners Paul Fires and Jennifer Laver present an updated webinar discussing the state of the courts, COVID-19 workers' compensation cases in each state, client response strategies, the latest legislative changes, and more. They also discuss emerging thought about operating in the post-lockdown world. Click on the video link below to view now, and stay tuned for continuous updates and future webinars on the latest strategies and risk management techniques.
